Blood Brothers Musical is, at first, a heart-warming story of Mickey and Edward, two brothers separated at birth, brought together again through friendship. However, their familiar relationship is concealed by their guardians who strive to keep them apart because of superstitious beliefs. Despite relocating, their lives continue to intertwine, although the deep divisions between the privileged life of Edward and Mickey's poverty-stricken existence are wholly apparent. As they try to conquer the social divisions which hinder their friendship, they must deal with the harsh realities of class consciousness; Edward goes on to study at Oxford whilst Mickey is forced into a life of crime through unemployment.

As adults, they are caught up in a vicious love triangle with Mickey's childhood sweetheart Linda. Mickey's imprisonment and subsequent depression pushes Linda into the arms of the conciliatory Edward. A desperate Mickey takes drastic action against his fraternal twin which will ultimately expose their true identities.

Rock Of Ages is the Broadway musical which sets a simple love story to a soundtrack of classic 80s rock tunes. A celebration of rock culture in 1980s Los Angeles, Rock Of Ages is set in the city in 1987, when a small town girl meets a big city rocker in LA's most famous rock club. They fall in love to some of the greatest songs of the decade.

Rock Of Ages features the classic tunes We Built This City, The Final Countdown, I Wanna Know What Love Is, Here I Go Again and Don't Stop Believin'.

Created in London by the entire Broadway creative team, Rock Of Ages hopes to have audiences rocking out in the aisles.

This London production stars the irrepressible Justin Lee Collins, chat show host and singer, along with West End regulars Oliver Tompsett (Wicked) and Amy Pemberton (Footloose) as the couple who fall in love. Simon Lipkin (Avenue Q) and former X Factor winner Shayne Ward also star.
